Dear Sean,

I want to express my gratitude for a job well done. I can't tell you how proud we are to be the owners of this once eyesore in the mainstream of Helena to now a beautiful building that the whole community can be proud of.

The quality of leadership from both Perry Winn and Rick Gibson was over and above the call of duty. Asking anyone to take on renovating a fifty year old building and making it into a state of the art library was almost more than we should have ask for. They not only took this project on, they beat it. With the knowledge that both of these gentlemen have between them, your company will surely thrive.

I will recommend CNI to any and everyone who is in need of construction.

Thank you again,

  
Linda S Bennett
